

# TAYCO DESIGNS

Thank you for your purchase.

Photo above uses the following materials, change any part to your own desires.

1/8 inch Baltic Birch plywood, 8.5 x 11 inches

1/16 inch drill bit

#2 scrollsaw blade

Finish of choice

Frame of choice

Areas filled with gray are waste areas. Drill your starter hole anywhere in the gray areas. Try to always keep the waste part to the right side of your scrollsaw blade.
